News of Interest for the Alumni of Redeemer College, Ancaster Ontario L9G 3N6

Redeemer Reaches Milestone Come Home to Celebrate

1990 is a very special year for Redeemer College.

It is an anniversary -- ten years ago Redeemer College's founders were granted a government charter to open a Christian liberal arts university in Ontario, and to grant the degrees, Bachelor of Christian Studies (BCS) and Bachelor of Christian Education (BCEd).

It is also a step into the future -- this year the government is reviewing its policy on free-standing, degree-granting institutions. This in turn has implications for the university's request that its charter be amended to add the degree

designations Bachelor of Arts (BA), of Sciences (B.Sc), and of Education (B.Ed).

Redeemer College is celebrating the occasion by inviting former board members, alumni, and parents to the university Sept 28 & 29 for an event filled weekend. The weekend will begin Friday morning with a parent-led Chapel service. The evening will begin with an Alumnist led vesper service. Topping off the evening will be a Kaleidoscope of student and alumni talent and a late night pep-rally and bon fire. Saturday will begin with an early morning Alumni buffet breakfast in the Visitors Inn Restaurant.

This will be an opportunity for you to meet your board.

The day will continue with an alumni squash tourney, a varsity soccer game, a royal/alumni women's volleyball rematch and the annual meeting.

Overnight accommodations have been arranged at the Visitors Inn in Hamilton at very reasonable rates for parents and alumni. You may make arrangements by calling the Visitors Inn at 1-(416)-529-6979.

The Redeemer College Alumni Department extends an invitation to all Alumni to come home and celebrate the miracle of the last ten years that is Redeemer College. Be a part of the celebration that will launch the next decade of Christian Higher Education in Ontario.

Alumni Leadership Scholarships Instituted

As reported in earlier issues of Images, the Alumni Board proposed to the University a transfer of the *pool fund* to the Redeemer Foundation as part of the LIFT campaign.

This proposal has been approved by Administrative Council. Beginning in 1990 - 91, two Leadership Scholarships

will be funded and awarded by the Alumni Association.

A Leadership Scholarship is a \$5,000 grant, given in four yearly instalments, available to one qualified applicant from every secondary school in Eastern Canada. To be eligible, a student must have demonstrated leadership qualities in school

and/or through Christian service in the church or community.

Even though the Alumni Association is very young, it can be actively involved in the life and direction of our Alma Mater. A year from now, we hope to publish an article on the first recipients of the Alumni Leadership Scholarships.

Greetings fellow alum!

It has been a busy couple of months for me at the College. I had hoped when I accepted this position that the transition would be easy. After all, how much could Redeemer change in a couple of years?

My memories of Redeemer were of the cramped closeness of Beach Boulevard, of playing endless games of pool in the lounge or "foose" ball in the catacombs below, and of getting up late and still having to bike three miles to class (praying that the lift bridge was down). Even though the place and many of the people are different, the family atmosphere, a Redeemer trademark, is still here, and I have been welcomed and made to feel at home.

They have kept me busy especially with the LIFT campaign. The alumni donations phase is almost completed, with very encouraging results. I hope to publish the final results in the next issue. If you have not been contacted and are concerned that we may have missed you, feel

free to give me a call. The pool fund has been put to rest with Administrative Council gratefully approving the proposal of the Alumni Board (see ... **Scholarships Instituted** on page one).

Please take note of the special weekend planned for Sept 28 & 29. It is a week-end geared not only to board members, parents and members but also to alumni for we too are an integral part of the last ten years. Please fill out the form on page four and let me know whether you will be attending the buffet breakfast or participating in the squash tournament. This is especially necessary for the breakfast, in order to arrange for an appropriate size room. It is our hope that this weekend along with the hockey tournament in February will be a warm-up to our own very special, **Homecoming '92, ten year reunion.**

The next issue of Images will be mailed in November so please send in your news before Oct 25. Let your class-mates know what you're up to. ✱ *mike*

Grootenboer Receives Leadership Award

Roger Grootenboer, a member of the class of '91, has been named the recipient of the 1990-91 Alumni Leadership Award.

The \$300 award is granted to a senior student who demonstrates leadership abilities and is active in College activities.

Roger is currently in his 4th year of the Education Program with an Honours History major and a Physical Education minor. When not busy studying or taking care of his new-born daughter, Ashley, Roger keeps active by participating in varsity Ice-hockey, as well as being the captain of the soccer, and indoor-soccer teams.

Congratulations Roger. ✱

From the President

I would like to take this opportunity to express a word of thanks to the 1990 Graduating Class.

Each year during the Graduation Ceremonies, the university has been privileged to receive a gift from the graduating class. The 1990 Class caused to be preserved and mounted the Redeemer College Letter Patent, and the photographs of the Queen and Governor General.

This fantastic and appreciated gift now hangs proudly in the board room where they serve as a constant reminder of you, the class of 1990.

Once again, thank you very much.

Henry R. DeBolster

Last Chance for Composite Pictures!

Composite pictures for the graduation classes of 1986, 1987, and 1988 are available. Anyone interested in purchasing one for \$15 may contact me at the university before October 1st at 1-800-263-6467.
